PARENT & GUARDIAN INFORMATION SHEET

The Hackney Schools' Challenge is a youth running program which is part of the Hackney Moves Festival. The programme gives local primary school children of all abilities their chance to shine on the Hackney Half finish line.

The Schools' Challenge is free of charge to all who wish to enter. Pupils will cover as many miles as they can in the lead up to the event, either at home or at school. The final mile of the challenge takes place on Saturday 21st May. The Hackney 5k and other family activities will also be held on Saturday as part of the Hackney Moves Festival.

Participants in Schools' Challenge receive the following:

- A personal race number
- A Schools' Challenge t-shirt to wear on race day
- A record card to track their running journey
- A finisher medal and goody bag*

Is your child up for the challenge? It's easy to get involved, just follow these three steps...

1. **Register:** Your school will send you a link to register (claim a place for) your child to join your school's team. Simply complete the form following the steps overleaf, and inputting the correct details where required.
2. **Train:** Before race day, your child will be encouraged to complete 12 miles or more (usually one mile a week). These runs can be completed and verified at school or at home. Your child will be supplied with their very own record card to mark their distances.
3. **Race day!** Children and teachers will run one mile on a marshalled, traffic-free course to complete the finale of the Hackney Schools' Challenge. Participants cross the same finish line as the Hackney Half.

Your child has been invited to the **Hackney Schools 1K Challenge** to represent the **Badu team** on the **21st of May 2022**.
