

Spanish Presentation

Pupils in Year 4 and Year 5 became presenters for the day. They were invited to talk about their trip to Spain and also the Heritage Project that they completed in the spring term. The children did a fabulous job talking to a room full of different schools and staff from the Learning Trust. Congratulations! To find out more, visit our school website.

FUN FACTS

Did you know that frogs don't drink water. They absorb water through their skin.

A frog's tongue isn't attached to the back of its mouth like a human but to the front where it can extend it out further to catch insects!
