Our School Rules are:

- Help and care for each other
- Be brave; tell the truth
- Look after our school
- Listen to each other
- Work hard and be successful
- Keep our school calm and quiet
- Have good manners
- Respect other people's belongings
- Talk about your problems with others

Our rules are based on the principle that teachers have the right to teach, children have the right to learn, and that all children can behave well.

These rules apply to all settings in the school, clubs, trips and school journey.
Our standards of behaviour need to be consistent, if our children are to become secure in knowing what is acceptable and what is not.

What we expect of our children

- To be polite- to teachers, support staff, other children and visitors- and to respect the authority of the adult in charge
- To listen to adults and each other in lessons and in assemblies and to consider each other's feelings
- To walk about the school quietly and calmly
- To take a positive role in all classroom activities and to try as hard as they can
- To await their turn to talk to members of staff and to each other
- To value each other's work
- To work and play cooperatively with each other
- To tell the truth, to take responsibility for their own behaviour and not to make excuses ("they told me to")
- To accept a solution or consequence if they have done something wrong- not to argue or get angry with the person sorting it out
- To be able to say sorry when they have misbehaved or hurt someone and to understand that this word signals a change in behaviour and mood
- To care for the school and its equipment and to report any damage or graffiti they see
- To feel responsible for giving a good impressions of themselves and the school both within and outside the school
