### **SPORTS PROVISION 2017-18**

**Sum £17,630**

#### **Physical Education**

*The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.*

At St John of Jerusalem COE Primary School we believe that all children should have the opportunity to achieve their full potential in PE and School Sports, through receiving high quality PE and sports teaching and an exciting and challenging curriculum.

All children are entitled to at least 2 hours of PE which include dance, gymnastics, invasion games, net/wall games, striking and fielding games, swimming and athletics. There are also opportunities for children to continue to develop these skills through extra-curriculum clubs.

We are also very proud of the children who have excelled at sports and represented the school at both local and borough wide competitions. Last year saw successful 5 a side football team, athletics team, both boys' and girls' football teams and Tag Rugby, Personal Best and this year we aim for more opportunities for our children to shine. These children have been a credit to the school, not only for the competition themselves but for the teamwork, dedication and sportsmanship they have shown throughout.

#### **How are we using the funding to benefit our children at St John of Jerusalem?**

We have allocated the funding in a number of ways:

- Hiring qualified sports coaches to deliver high quality PE lessons
- Extra PE clothing to ensure all children can access their PE lessons
- Competition Outfits
- To increase pupil participation in the Hackney PE and out of borough competitions and games
- Transport to competitions
- After school sports activities

<b>Total Amount of Sports Premium Spent</b>	£17,700

**Sport Premium Spending (2017/2018)**

The Government stipulates that the premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils and to continue to encourage the development of healthy, active lifestyle.
