

Year 3 Board Games

Over the Easter holidays, the Year 3's had to design an Easter themed board game as part of their homework.

They did such an amazing job that we had to share them, so we invited Year 2 to come and play our board games! It was a fantastic afternoon filled with creativity.

Year 2 had great fun learning about and playing the Easter games that Year 3 created over the Easter holidays. They are looking forward to making some of their own next year!

THANKFULNESS. Please take some time at home to discuss
this value with your child.

Count your blessings is an
old saying, but it reminds
us to be thankful and not
to take things for granted.

Can you think of
practical ways of
showing your
gratitude?

THANKFULNESS

Think of something
special in your life that
you are thankful for.

Remember to let other
people know when you
are THANKFUL.

Home -School Challenge

Thank you chain

Think about how an everyday item reaches you:

Where does it come from?

Who was involved in making it?

Who should you thank?

Make a Thank You Chain and bring it to school to share with your class
