Now it's time for us to look at how to make a rocket.

You will need:

A cardboard tube
Coloured paper or paper from a magazine
Sellotape or glue
Scissors

Use a coloured piece of paper or card to cover the toilet roll. Cut a frilly bit to stick out of the bottom for the fire. Roll another piece to make a cone shape at the top. Use a bit of white paper to make windows and draw people looking out on them before sticking them on the rocket.
