

9 am

Good morning. Please practice writing your name 3 times. Write the letters as neatly as you can in the same way as I wrote them on your name card.

W

Read the words by sounding out the letters below and then blending them together.

wig wax

wag

Now have a go at reading the sentence below by sounding out the words and blending them back together.

The first word is a 'tricky' word which means you have to just remember it as it can't be sounded out.

The big man

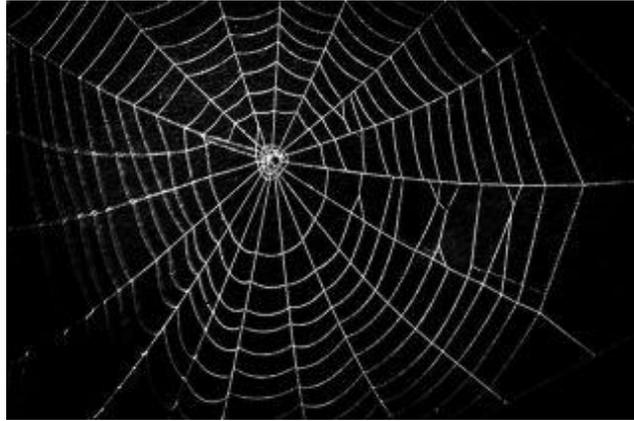

can win.

The words your child needs to try and write are:

web wet win

Now say the word each picture shows and try and write these in your book by breaking up the letter sounds that you can hear.

The sentence your child needs to write is: The big web is wet.

10.00 am

Next click on the blue link to do some dancing.

Well done! You have worked very hard this morning and now it's time for you to have some lunch and watch some TV or play a game on your tablet.

1.30 pm

I hope you had a lovely lunch!

Now it's time for our Literacy Lesson.

Today we're going to read the story:

Margaret and the Moon

Now talk to your child about how Margaret always knew what she wanted to achieve and managed to do things through determination and hard work. You can also touch on the fact that long ago people thought that girls couldn't do the same jobs as boys and that Margaret showed that they were wrong. Also talk about the fact that it was because of Margaret being really good at Maths that the astronauts managed to land on the moon.

Ask your child to draw a picture of Margaret and write a sentence about something that happened in the story.

Here is a song you can learn about dinosaurs. You can try to sing along.

Sun, Moon and Stars

Well done! Now relax and do some yoga!

Star Wars - Cosmin Kids

After working so hard today, sit back and listen to a story.
