Madrid 2017

Last week sixteen Year 5 pupils were lucky enough to visit Madrid in Spain, and what an amazing experience we had.

The children visited our partner school just outside

Madrid and took part in lots of different activities and made lots of new friends. The school was so welcoming and really made us feel right at home.

Other activities included: a walking tour to learn about the history of Madrid, a visit to an art gallery, a trip to the main park and a tour of the San Bernabeu (Real Madrid) football stadium.

The children thoroughly enjoyed themselves and were real role models for the school. We cannot wait to go back!

On Monday 19th June, the staff and children at St John of Jerusalem School held a one minute silence in honour of the victims of the Grenfell Tower fire.

Over the next week we will be discussing the word COMPASSION, which is one of our school values. Please take some time at home to discuss this value with your child.

The word COMPASSION means being 'alongside' someone to understand what they are feeling, to listen to them and to help in any way we can.

Can you think of an occasion when you have shown COMPASSION at home or in school?

COMPASSION

As well as being kind and showing compassion in what we say, it is often what we do that other people remember.

Who has shown compassion and kindness to you?

Do something kind for someone each day.

Draw and cut out the shape of each person's hands in the family. Decorate it with all the random acts of kindness that they have shown.
