

## This Week in Year 6

In Year 6, we have been exploring the concept of peace.

We have explored peace through a biblical lens, through music and through our day to day friendships with our peers.

In Religious Education, we have analysed the parables of Jesus and searched for the deeper meaning underlying the stories.

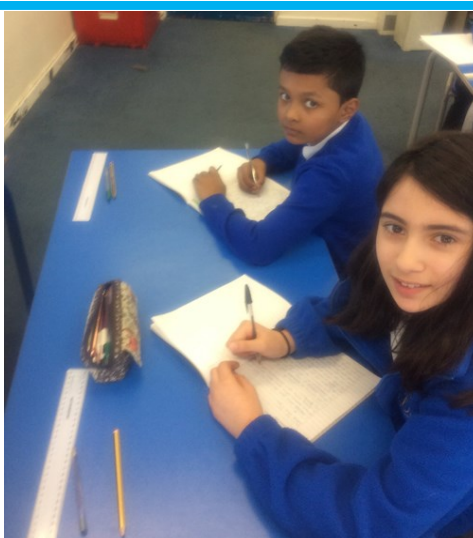

Through the parable of 'The Rich Young Man', we discovered that being attached to worldly materials doesn't lead to fulfilment and that a greater sense of peace can be found in serving God.

We also looked at the idea of peace through singing the classic John Lennon song, 'Imagine'.

In order to perform the song in our assembly we had to learn the words and in learning the words we were given the opportunity to analyse the meaning of his words.

This discussion was very interesting and showed that as a class, we have several interpretations of peace.

Our work around peace informed the way in which we behave towards others and will hopefully make us better friends.
