

This Week in Year 3

Year 3 have been focusing on learning their **time table facts** and strategies to support them.

They have learned about **doubling and halving**. For example, all children have practised their 3 times table and then for each equation, they double the answer. So, if $3 \times 3 = 9$ then $3 \times 6 = \text{double } 9 = 18$!

Pupils have learned that when you are doubling you are multiplying the answer by 2.

This week, we have also been reading a book called 'The **Whales' Song**'. We are also learning and practising writing similes. Here are a few that children created all on their own:

*My whale is as deadly as an evil dentist.
My whale is as heavy as a ginormous brick!
The night was as dark as a shiny, black whale.*

Well done to all children for a fantastic start to the New Year!

Welcome

Welcome back to a new year and a new term. We hope you all had a restful break.

Reception Class Visit to the Library

The Reception class will be visiting the library on **Monday 15th January** during school hours.

Please ensure children are sent to school with a weather proof coat and appropriate shoes.

Afterschool Clubs

Afterschool clubs resume on **Monday 15th January 2018**. Places are still available in some clubs. Please make enquiries at the office.

Parent Governor Elections

We have a vacancy for a new parent governor. Letters will be sent out next week with more information.
