Urban Dictionary

It has come to the school's notice that children are using slangs that parents may not be familiar with. Please be vigilante about what your children access/post on apps like Musicaly, YouTube, Snapchat and Instagram. Parents can do this by using the Urban Dictionary to familiarise themselves with these words/phrases at the link below:

www.urbandictionary.com

We would like to remind parents that the minimum age for any social media site is 13 years.

Over the next week we will be discussing the word kindness, which is one of our school values. Please take some time at home to discuss this value with your child.

WHAT DOES THE
WORD KINDNESS
MEAN?

How does it make
you feel when
someone shows
you kindness?

KINDNESS

When was the last
time you showed
kindness or
someone showed
kindness to you?

HOW DO WE SHOW
KINDNESS TO EACH
OTHER?

Family Focus

Random Acts of Kindness

Kindness is often appreciated most
when it is offered at unexpected times.
Over the next week have a
'random acts of kindness' week, and do
something kind for someone each day.

HOME-SCHOOL CHALLENGE

Helping hands

As well as being kind and showing
compassion in what we say, it is often
what we do that other people remember.
Draw and cut out the shape of each
person's hand in your family. Decorate
it with all the random acts of kindness
that they have shown. Mount the hands
of each member of your family on some
paper so they look fantastic and ready
to be displayed.
