## Year 4 Assembly

CONGRATULATIONS to all Year 4 pupils who performed their class assembly. The children have been learning about sound and how we hear sounds.

To finish off, pupils recited a poem off by heart called 'The Sound Collector'. This was learned in a short period of time.

Give it a go! Can you learn and recite this poem? Why not make up some sounds to go along with it!

### The Sound Collector

A stranger called this morning  
Dressed all in black and grey  
Put every sound into a bag  
And carried them away

The whistling of the kettle turning of the lock  
The purring of the kitten  
The ticking of the clock

The popping of the toaster  
The crunching of the flakes  
When you spread the marmalade  
The scraping noise it makes

The hissing of the frying pan  
The ticking of the grill  
The bubbling of the bathtub  
As it starts to fill

The drumming of the raindrops  
On the windowpane  
When you do the washing-up  
The gurgle of the drain

The crying of the baby  
The squeaking of the chair  
The swishing of the curtain  
The creaking of the stair

A stranger called this morning  
He didn't leave his name  
Left us only silence  
Life will never be the same  
Roger McGough
