

Year 3 Rainforest Dioramas

Year 3 have made such amazing Rainforest Dioramas that we had to show them off! We had an exhibition of our projects and invited the whole school to come and see them!

We are so amazed by the standard and effort the children put into their projects!

The whole school really enjoyed our exhibition.

Thank you Year 3 for sharing your incredible work!

End of Year Trips

A reminder that payment for the end of year trips to **Willows Activity Farm** and **Southend Adventure Island** are due on **Friday 23rd June**.

Picking up children late

It has come to our attention that some children are being picked up persistently late. Picking up children late impacts both the children and the school. School closing time is **3.30pm** and afterschool clubs finish at **4.30pm** unless otherwise advised.

Afterschool Clubs

Thank you to all the parents/carers who have paid for the afterschool clubs. Payments for afterschool clubs is due every half term. Parents will be contacted to pick up children who have not paid.

Volunteers needed for Origami Club

Our Origami club needs volunteers this half term. Join us to learn the traditional art of Origami. Our club is very inclusive, good fun and easy for Year 1 and above. Volunteers have free club spaces for their children. Please pass on your details to the school office if you are interested.

Summer Fair

Save the date for our School Summer Fair on **Thursday 6th July**
3.30-5pm! Join us on the day to help

us to raise money for school activity days and celebrations for our children. We would love donations of good quality toys, books and bric-a-brac to sell on the day. You can also hire your own stall for £10, please register interest for this with the school office. Watch this space for further announcements!

Friends and family are welcome to attend.

Over the next week we will be discussing the word HOPE, which is one of our school values. Please take some time at home to discuss this value with your child.

Hope is what keeps people working for a better world!

What are your **HOPES** and dreams for the future?

HOPE

Can you think of something that has really made a difference in the world because someone **HOPED** and believed it was possible?

What do you **HOPE** for that would really make a difference and make things in the world better?

Family Focus
Spiral of Hope

Start with the circle of paper and draw a spiral.

On the spiral write a hope or dream that you have that will make the world a safer, cleaner and healthy place to live.
