- Governors to deepen their knowledge of the school including the new curriculum - particular emphasis on avoiding silos of knowledge

- Continue active succession planning within the Governing Body

- Support and mentor new governors to build their confidence and skills as quickly at possible

Objective 2 – Quality of Education – Building a culture of success and achievement

- To embed Governors 'understanding of the new OFSTED framework, to enable Monitoring of progress under OFSTED criteria

- To monitor progress over the year in pupil performance, including different groups

- To support the school in recovering levels of performance following the COVID 19 lockdown

- To understand how the school is demonstrating its intent, implementation and impact of the curriculum

Objective 3 – Quality of Teaching

Resources Committee

- The resource constraints of recent years are continuing to be felt. To ensure optimal use of available resources, the governing body will prepare budgets that are focused on delivering the overall school objectives and actively monitor the school's performance against this budget during the school year.
  Success = A workable budget is agreed on in the required timetable. A detailed budget monitoring report is considered in Autumn and Spring terms with revisions to the budget or spending made in response to these reports

- Ensure that the annual individual appraisal process and goal setting for the coming year is completed in the autumn term by all staff in line with agreed timeframes. Each staff member is to align their goals with the whole school objectives.

Standards, Teaching and Learning Committee

- To support the school and monitor progress towards achieving targets of outstanding teaching

- To ensure good interaction between link governors and teachers to improve understanding of how teaching is being carried out

- When possible to restart learning walks to see teachers and children in the school setting

Objective 4 – Strengthen the links between the school, parents and community

- To monitor the effectiveness of remote learning, where required

- To support and challenge the school to develop its distinctive Christian nature

- To monitor and support the wellbeing of all members of the school community

- To support the school in securing a sustainable future
