

We remain open for the **children of critical workers**
and **vulnerable children**.

**All pupils take part in Daily Remote Learning Sessions
with their class teachers.**

We are using **Microsoft Teams** to enable all of our pupils to access daily remote learning sessions with their class teacher during the lockdown period.

The children join their class teacher Monday to Friday using the Microsoft Teams link provided for their year group.

Children will share their work online with their class and email specific tasks to their class teacher to be assessed.
