Over the next week we will be focusing on the value
THANKFULNESS. Please take some time at home to discuss
this value with your child.

Count your blessings is an
old saying, but it reminds
us to be thankful and not
to take things for granted.

Can you think of
practical ways of
showing your
gratitude?

THANKFULNESS

Think of something
special in your life that
you are thankful for.

Remember to let other
people know when you
are THANKFUL.

Home -School Challenge

Thank you chain

Think about how an everyday item reaches you:

Where does it come from?

Who was involved in making it?

Who should you thank?

Make a Thank You Chain and bring it to school to share with you class.

FUN FACTS

Did you know that Jupiter is the largest planet in our solar system?

It is so massive that more than 1,300 Earths could fit inside it!

Jupiter has rings which are similar to Saturn, but you can only see them when Jupiter passes in front of the sun!
