Safer Internet Day 2017

This week saw all pupils and staff
engaged and learning more about the
power of images in a participative
assembly about Safer Internet Day.

Pupils learned that if images
(a photograph on paper, a website or
on a digital device like a mobile
phone) are to be posted online
that whoever wants to post it should
get permission to do so from a
parent/carer.

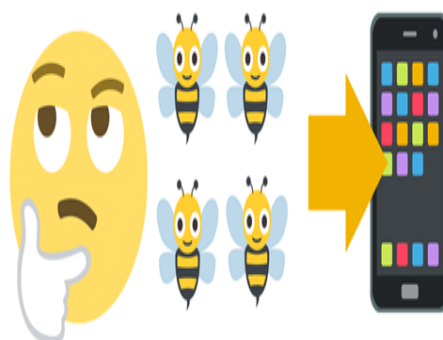

Children also completed activities of role
play using play scripts to understand how
to stay safe online.

The theme for this year is: **Be the Change:**
Unite for a better internet. Staff and
pupils all created emoji's to represent a
message about staying safe online. Can you
solve this one?... It is important to make
sure that as parents/carers you stay up to
date with the themes and issues that face
children today in our world. To find out

Year 1 Assembly

A BIG well done to all of our wonderful Year 1
children who put on a fantastic assembly this
week. We didn't have long to practice, but
they worked very hard to learn all of their
lines and remember their song and poem. You
did a great job Year 1 and we are very proud
of you - as always.
