### World Book Day

This year World Book Day is on **Thursday 2nd March** to celebrate reading, books, authors and illustrators. Children can come dressed up as a book character with a contribution of **£1** in aid of Book Aid International. Children will also receive a £1 book voucher on the day.

### Parents Evening

This takes place on **Tuesday 28th March**. School closes at 1.30pm. More details to follow.

### Labelling Uniforms

Can you ensure that all uniforms are clearly labelled with the child's name to enable us identify lost uniform.

### Year 6 Residential Trip

A reminder to parents of Year 6 children that second instalment payments are due on **Tuesday 28th February**.

### Urban Dictionary

It has come to the school's notice that children are using slangs that parents may not be familiar with. Please be vigilante about what your children access/post on apps like Musicaly, YouTube, Snapchat and Instagram. Parents can do this by using the Urban Dictionary to familiarise themselves with these words/phrases at the link below:

[www.urbandictionary.com](http://www.urbandictionary.com)

We would like to remind parents that the minimum age for any social media site is 13 years.

## Year 4 Trip to the Science Museum

Year 4 visited the Science Museum this week to investigate and explore the world of Sound and Electricity.

Pupils were amazed at the electrical devices in the home and how inventors have developed them over time to what they look like in our homes today. Children also had a fantastic time in the Wonderlab section exploring Sound, Forces and Electricity in a fun way.

All pupils made observations of exhibitions, diligently noted down and sketched in their note books for information to be used back at school.

Well done to the children for behaving and representing our school so excellently!

## Bad Hair Day

A big thank you to everyone who participated and contributed on Bad Hair Day. The school raised **£156.55!**

## What does BOOK AID INTERNATIONAL do?

Can you imagine what it would be like to have never held a book?

In many communities in Africa, children have no access to books. Many library shelves are half-empty and contain old copies of books that are tattered and torn. It's common for children in lessons to have to share one book between ten, and very few people have books to read at home.

When you have no books, it's difficult to improve your reading skills. And when you can't read, your future is nowhere near as bright as it could be. But Book Aid International works to change all that. We believe that every child should have the opportunity to read and should have safe, engaging spaces in which to start their reading journey. Education can be the door to our futures so we aim to provide as many children as possible with books to help them learn and progress through school.

Every year, Book Aid International sends up to **one million** brand new, carefully selected books to libraries in Africa, where they are read and enjoyed by children just like you. Our books are sent to public libraries, schools, universities, hospitals, prisons and refugee camps. Thank you for helping us to change lives through reading.

**BOOKS  
CHANGE LIVES**

For every £2\*\* your school raises, we can send a new book to a library in Africa.

### FUN FACTS

Did you know that owls live on every continent except Antarctica?

Owls are carnivores who eat small rodents but are unable to digest bones. The female owl is bigger and heavier than the male owl!

## Certificates of Achievement

Here are this week's pupils who were awarded Certificates of Achievement. Well done & keep up the good work!
