

*"Invest in your children today so that they can reap the benefits tomorrow"*  
Viv Ahmun, Strategist

15<sup>h</sup> July 2022

Dear Parents, Carers, and Colleagues

**We are excited to announce that the Summer Wealth Camp** is being brought to you for the first time by the historic Dream Team - [Westside Young Leaders Academy](#),(WYLA) [Father 2 Father CIC](#) (F2F) and [Aspire Education Group](#).(ASPIRE).It is a unique programme we are piloting over the Summer from **30<sup>th</sup> July – 27<sup>th</sup> August between 10.00am-4.00pm**. **We are offering SATs prep, GCSE prep and 11+ prep (for entrance to independent schools and transitioning into state secondary); Parent support and wealth mindset coaching; youth leadership development and African centred thinking.**

On 23<sup>rd</sup> July between 10.00am and 12.00pm, come and join us along with **Eddie Nestor**, BBC Presenter, **Jermain Jackman**, singer and Chair of Black Men4Change and Hackney's **Deputy Mayor Anntoinette Bramble** at our **FREE** taster and sign-up session. Please register [HERE](#) to attend.

**2 years of lockdown** has meant that our children and young people have not only lost out on their learning, but they have also struggled with social isolation, loneliness, and fears for their future, affecting their mental health. [Anti-depressants prescriptions have gone up by 41%](#) since 2015 to young children aged 5-12 years of age. Lost learning from COVID in schools has impacted all children, but it has impacted Black learners in poorer areas the most, who are between 5 - 8 months behind as the BBC reports, [Covid pandemic fuels deepening education inequalities in England](#). Yet given the right school environment, discipline, and leadership, we know that our Black children and young people can academically excel, as Brampton Manor in Newham has shown that [Students at London state school secure more Oxbridge places than Eton](#).

On the jobs front, it is estimated that the [digital skills gap cost the UK £63 billion](#) per year. We have therefore partnered with [01 Founders a free coding school for 18+ and which guarantees a job at the end of 2 years](#). **You only have to play a game to be selected to get in, and show you have the right attitude and skills to persevere and stay the course for the 2 years. Find out more at our Launch**

The Summer Wealth Camp costs **£40 per Saturday**, with discounts for 2 children and **Bursaries** for those who want to come but find it hard to pay. Parents can also spread the cost and pay **£33.50 per month** for 6 months, which is **£8.37 a week**. There is an **early bird price of £180.00** so scan the code and register for your place now.
