

Oi DOG!

KES & CLAIRE GRAY and JIM FIELD

“Frogs are all **squishy** and **squashy** and when you sit on them they go **PLURPPPPPPPPPPPP!**”

“You know the rules,” said the cat.

“Cats sit on mats, frogs sit on logs, and dogs sit on FROGS!”

"From now on,
dogs sit on **logs**
not **frogs!**"

"Well, I'm **changing**
the rules," said the frog.

“REALLY?”
said the dog.

“REALLY,”
said the frog.

“Dogs sit on logs,

and **cats** sit on
gnats.”

OUCH!

“What will **bears** sit on?”
asked the dog.

“Bears will sit on
stairs,” said the frog.

“What will **slugs** sit on?”
asked the dog.

“Slugs will sit on **plugs**,”
said the frog.

“Slugs will sit on **plugs**,
flies will sit on **pies**,

crickets will sit on **tickets**,

and **moths** will sit on **cloths.**"

“What will **leopards** sit on?” asked the dog.

“**Leopards**
will sit on
shepherds,”
said the frog.

“Leopards
will sit on
shepherds

and
cheetahs
will sit on
fajitas.”

"You're really getting the hang of this," said the dog.

"I know,"
said the frog.
"And that's
not all..."

Gnus will sit on
canoes,

pigs will sit on wigs,

and boars
will sit on oars."

“What will **whales** sit on?” asked the dog.

“**Whales** will sit on **nails,**” said the frog.

“I’m not sure the whales
will like that,” said the dog.

"They don't have to like it," said the frog.
"they just have to do it."

“What will **dragons** sit on?” said the dog.

“**Dragons** will sit on **wagons**,” said the frog.

“Dragons will sit on wagons,

**and puppies will sit
on guppies.”**

**kittens will sit on
mittens,**

**mice
will sit on
ice,**

“What will **crabs** sit on?” asked the dog.

“**Crabs** will sit on **kebabs**,” said the frog.

“**Crabs** will sit on **kebabs**,
poodles will sit on **noodles**,

hornets
will sit on
cornets,

skunks will
sit on **trunks,**

and
elephants
will sit on
smelly pants!"

"Elephants
aren't going to sit on
smelly pants!"
gasped the dog.

"They are now,"
smiled the frog.

“Hold on,” said the cat. **“If dogs sit on logs,**
cats sit on gnats, bears sit on stairs,
slugs sit on plugs, flies sit on pies,
crickets sit on tickets, moths sit on cloths,
leopards sit on shepherds,
cheetahs sit on fajitas,
gnus sit on canoes,
pigs sit on wigs,
boars sit on oars,
whales sit on nails,
dragons sit on wagons,
mice sit on ice,
kittens sit on mittens,

puppies sit on **guppies**,
crabs sit on **kebabs**,
poodles sit on **noodles**,
hornets sit on **cornets**,
skunks sit on **trunks**,
and **elephants** sit on
smelly pants..."

WHAT ARE
FROGS
GOING TO
SIT ON?

asked the dog.

A green frog is lying on its back on a sun lounger. The sun lounger has a white metal frame and a fabric surface with a purple, green, and blue floral pattern. A small, glowing yellow object is on the lounger near the frog. To the left of the frog, there is a small green plant with several thin, upright stems. Above the frog, a large beach umbrella with the same floral pattern and a fringed edge is open. The entire scene is set against a solid orange background.

SUN LOUNGERS

said the frog.
