

This Week in Year 2

Year 2 have been very busy in our last few weeks before Christmas!

We have really got stuck into multiplication of 2's and 5's times tables and we have been using money to help us solve multiplication problems.

In our literacy we wrote detailed letters to Santa and used some lovely questioning; let's hope we get what we want!

We also have been very creative and made some wonderful things to sell for the Christmas fair!

On top of that we have been practicing our nativity play which we are very excited about performing on Thursday. We hope to see you there.

FUN FACTS

Did you know that monkeys are very social and live in groups called troops?

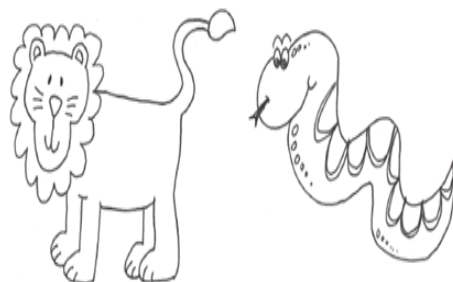

Monkeys bond and express their affection through cleaning each other and grin when they are angry!

Zoo Animal Group Match

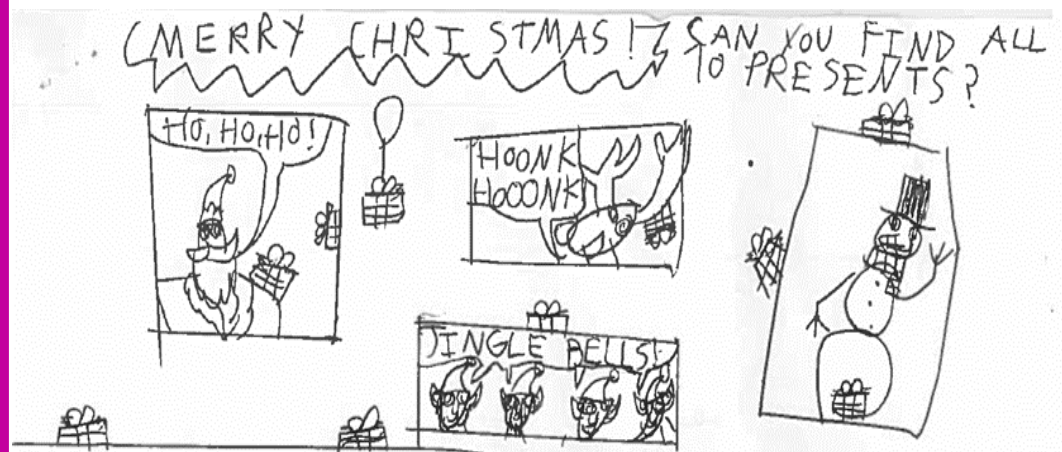

Match the animal to its group by drawing a line between them. A few examples would be a flock of seagulls or a pack of wolves.
