In **Science**, **Year 1** have been exploring plants. They were able to explore wild and garden plants, label a plant and even plant their own beans!

# Bikeability

Cycling Proficiency for the 21st century

Some of our Children from **Year 5** and **Year 6** had the opportunity to show off their skills, in riding their bikes with the bike instructors, during the **Bikeability** sessions this week. Children had a lovely time riding their bikes out in the sun, and around the school playground, as well as going out onto the quite roads, where they learnt about road safety.

Parents can also join for a **FREE** cycling course by visiting the website link below:
