

# St John of Jerusalem Newsletter

## 13th June 2025

### Year 2 Classroom News

We had a busy week in Year 2! In maths we have started our new unit on measuring capacity and volume. We accurately read scales within 1,000 and measured amounts of liquid in different measuring containers.

We created our cherry blossom trees for our class Earth Day Display and took part in the food tasting in the hall!

### Weekly Highlights at School

We had wonderful week, with lots of activities. For our **Food Tasting Sessions** our school chef, Kemi, made lots of **yummy healthy foods** that included all the food groups. The Year 4 **Cricket Team** took part in cricket tournament, where they secured an impressive 5th place out of 25 teams! What an outstanding performance. Parents joined us for a **Coffee Morning**, where we discussed the impact of social media on behaviour. It was wonderful to hear their thoughts on how to support our children.

We also had a visit from the **Magic Breakfast Team**. We played some games and had wonderful chats.
