

# St John of Jerusalem Newsletter

## 20th June 2025

### Year 2 Classroom News

Y4/5 have been learning about how to be a great local and global citizen. We discussed the impact of litter on our local environment and actions we could take as a school, like writing to Hackney Council, encouraging our school community to reuse, reduce and recycle as many items as possible. We went out litter picking and we made a difference!

Well done Year 4 and Year 5!

### Weekly Highlights at School

**Our Children, Staff and Children had a fabulous time at the Hackney Music Festival**

**Earth/Environment Day**

The children enthusiastically participated in a range of engaging activities designed to help them understand the importance of protecting our Earth. Tim, our dedicated school gardener, led hands-on workshops. They learned about sustainable gardening practices and the role of plants in combating climate change. They also investigated practical ways to reduce plastic and to make eco-friendly choices.

**SCIENCE ASSEMBLIES**

Andrew the Scientist showed us how different chemicals reacted to sound and how it changed the colour of the water. One chemical even changed the water into all the colours of the rainbow!

## Diary Dates

- 2nd July**—KS1 and KS2 End of Year Trips  
EYFS Picnic
