

Overview

From Monday 6th - Friday 10th October 2025, pupils from St John of Jerusalem Primary School took part in World of Work (WoW) and benefitted from a week of career-focused learning including interactive activities, projects and experiments in the classroom, alongside trips to workplaces and volunteer sessions in school, all organised by Inspire and generously funded by Hackney Parochial.

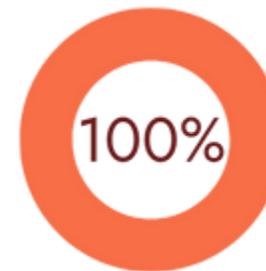

Year 3 enjoying their Building Futures Workshop

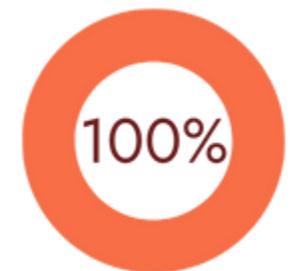

Of teachers surveyed agreed WoW helped students develop their creativity skills.

Of teachers surveyed agreed WoW helped students become more confident in their ability.

Of teachers surveyed agreed WoW helped students develop their listening skills.

Of teachers surveyed would like to take part in WoW again.
